Astrarium Games

Aug 2024 – Present

2D Artist

Toronto, ON

- Collaborate with a remote, worldwide team of 40 people in the development of a mobile game
- Communicate over Discord to check in on progress and self-initiate open tasks on project management software Weje
- Create original artwork within specifications for medium and platform through Clip Studio Paint and Affinity Photo
- Subject to NDA, no further details are available at this time

Shendy's Swim Centre

Feb 2022 – Present

Reception

Toronto, ON

- Welcomed 50-120 clients every day and attended to clients with a friendly, helpful attitude
- Organized the flow of clientele within the facility and managed staff and client organization through MS Excel
- Maintain positive public relations with guests to ensure long-term, repeat patronage through agreeability, accommodation, and clear communication
- Withheld the organization and management of the facility on a regular, daily schedule
- Efficiently managed up to 20 sales and transactions daily through the company database

PROJECTS

My Name Is Fim Picture Book

Jan 2023 – Apr 2023

- Wrote and illustrated an original picture book for children ages 6-8
- Used Adobe Photoshop and Clip Studio Paint for character design, covers and page layout
- Illustrated accompanying images and cover design

Artscape YoungPlace painter/exhibitor

Jan 2023 – Apr 2023

- Conceptualized and produced a 6-painting narrative series over eight weeks following an original topic procured by the artist
- Revised paintings based on weekly critiques from fellow artists and mentors, leading to the successful completion of a series that received positive feedback during the exhibition opening from artists and visitors alike
- Assembled these paintings to be displayed in a public hallway gallery for a 5-day exhibit
